DENISS, LLC Signs Agreement with California based global Ethernet Networking Products
Manufacturer Henrich Electronics Corporation

POWDER SPRINGS – DeNeal Industrial Sales & Services, LLC (DENISS, LLC) is excited to introduce Henrich Electronics Corporation, a global, diversified Ethernet Networking products company in Walnut Creek, CA as a principal. DENISS, LLC founder and CEO Tyrone DeNeal, Sr., said DENISS signed a sales representative agreement with Henrich Corporation, which includes sales responsibilities in Tennessee, Georgia, North Carolina and South Carolina trading areas.

Henrich Electronics Corporation (ISO9001: 2008 Certified Facility) is a trusted partner for industrial and Ethernet solutions and custom applications. Their Ethernet Switch Product line includes: Unmanaged, Managed, Power over Ethernet (PoE), Rackmount and IEC61850-3. They help customers across the globe to manage their industrial automation systems with rugged and secured Ethernet Networking Products in various industries, such as power utilities, transportation, oil and gas, factory automation and remote monitoring. Working with world-leading suppliers, Henrich focuses on designing, engineering, manufacturing and marketing a full range of customer-specific Ethernet products and services

DENNIS, LLC was founded November 2016 and specializes in helping principals and customers grow sales and improve profits utilizing the Six Sigma principles -Define, Measure, Analyze, Implement and Control.
