DENISS, LLC SIGNS AGREEMENT WITH MAITLAND, FL-BASED SOFTWARE COMPANY, BCA TECHNOLOGIES.

POWDER SPRINGS – DeNeal Industrial Sales & Services, LLC (DENISS, LLC) is excited to introduce BCA Technologies, Inc., a software provider for Configuration, Pricing and Quoting (CPQ) solutions in Maitland, FL (located just north of Orlando), as its latest principal. DENISS, LLC founder and CEO Tyrone DeNeal, Sr., said DENISS signed a sales representative agreement with BCA Technologies, which includes sales responsibilities for United States and Canada.

Established in 1997, BCA Technologies maintains sales offices and sales reps throughout US and Canada. BCA Technologies, Inc. software allow manufacturers' sales channels to Price and Quote faster with eRep CPQ+. eRep CPQ+ is an easy to use product configuration, pricing and quoting tool for sales personnel and channels. It may be used as a standalone tool or it can be integrated into manufacturers' ERP system. No matter the complexity of the product pricing, eRep CPQ+ makes it fast and simple, which results in more sales and the real-time visibility of the sales pipeline and forecast.

DENNIS, LLC was founded November 2016 and specializes in helping principals and customers grow sales and improve profits utilizing the Six Sigma principles -Define, Measure, Analyze, Implement and Control.
