*DENISS, LLC Signs Agreement with New York based LED lighting Manufacturer **Green Ignite***

POWDER SPRINGS – DeNeal Industrial Sales & Services, LLC (DENISS, LLC) is excited to introduce Green Ignite, a diversified LED products and related services company in Rome, New York as a principal. DENISS, LLC founder and CEO Tyrone DeNeal, Sr., said DENISS signed a sales representative agreement with Green Ignite, which includes sales responsibilities in the of state of Georgia.

Green Ignite is a manufacturer of high-quality LED products. LEDs are Light Emitting Diodes, small electronic devices that give off far more light per unit of electricity than traditional fluorescent lights or incandescent lamps. These LED lighting products provide solutions to companies that want to reduce their carbon footprint, to save money on their utilities, have better lighting, and more lighting options using different styles of LED light bulbs. Green Ignite goal is to be a one-stop shop for all LED related needs. Green Ignite work with your engineers and interior designers to provide our customers with best solutions for their unique needs and requirements.

Green Ignite will work to provide customers with best solutions for their unique needs and requirements. Green Ignite has customers across United States deploying LED products to commercial, industrial, and institutional facilities. <https://greenignite.com/why-switch-to-led/>

DENNIS, LLC was founded November 2016 and specializes in helping principals and customers grow sales and improve profits utilizing the Six Sigma principles -Define, Measure, Analyze, Implement and Control.
