and zero IT dependency.

- Full smart functionality from payments to OTA updates
- Zero IT cost and no IT upgrades guaranteed
- Building manager dashboard
- Dynamic power optimization to minimize your capex

Powered by our patented  
self-reliant computing  
protocol.

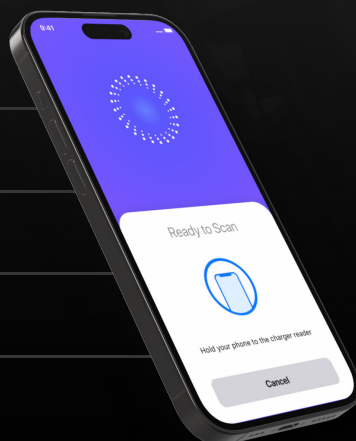

Single tap to start

Access in milliseconds

Instant payments

Unplug to end

"An advantage of using Xeal was the cost savings by not having to provide network infrastructure out to the charging units. Xeal was the right choice for ease of installation, flexibility in location and zero network infrastructure!"

**Joe S, Asset Manager**  
Commercial Surface Lot  
Princeton, NJ
